

ROLLING IN THE DEEP	PROFUNDAMENT DESESPERAT
<p>There's a fire starting in my heart Reaching a fever pitch, And it's bringing me out the dark Finally I can see you crystal clear Go ahead and sell me out And I'll lay your ship bare</p> <p>See how I'll leave with every piece of you Don't underestimate the things that I will do</p> <p>There's a fire starting in my heart Reaching a fever pitch And it's bringing me out the dark</p> <p>The scars of your love remind me of us They keep me thinking that we almost had it all The scars of your love, They leave me breathless I can't help feeling</p> <p>We could have had it all (Now You're gonna wish you never had met me) Rolling in the deep (Tears are gonna fall, Rolling in the deep)</p> <p>You had my heart inside of your hand (You 're gonna wish you Never had met me) And you played it to the beat (Tears are gonna fall, rolling in the deep)</p> <p>Baby, I have no story to be told But I've heard one of you And I'm gonna make your head burn Think of me in the depths of your despair Making a home down there As mine sure won't be shared</p> <p>The scars of your love remind me of us They keep me thinking that we almost had it all The scars of your love, They leave me breathless I can't help feeling</p> <p>We could have had it all (Now You're gonna wish you never had met me) Rolling in the deep (Tears are gonna fall, Rolling in the deep) You had my heart inside of your hand But you played it with a beating</p>	<p>S'està encenent un foc al meu cor Arribant al seu clímax I traient-me de la foscor. Finalment puc veure't amb total claredat Endavant, traeix-me Que jo deixaré al descobert les teves mentides</p> <p>Mira com marxo amb cada tros de tu No subestimis totes les coses que puc arribar a fer.</p> <p>S'està encenent un foc al meu cor Arribant al seu clímax I traient-me de la foscor.</p> <p>Les cicatrius del teu amor em recorden a nosaltres. Em fan pensar que gairebé ho vam tenir tot. Les cicatrius del teu amor Em deixen sense alè i no puc evitar sentir que...</p> <p>Podríem haver-ho tingut tot (ara desitjaràs no haver-me conegut mai) Estimant-nos profundament (les llàgrimes cauran, rodant a la profunditat)</p> <p>Vas tenir el meu cor a les teves mans (ara desitjaràs no haver-me conegut mai) i el vas trencar (les llàgrimes cauran, rodant a la profunditat)</p> <p>Estimat, no tinc cap història que explicar, Però he sentit una sobre tu I faré que el teu cap es cremi Pensa en mi en la més profunda desesperació Construeix una llar allà Que com la meva no n'hi haurà una altra.</p> <p>Les cicatrius del teu amor em recorden a nosaltres. Em fan pensar que ho vam tenir tot. Les cicatrius del teu amor Em deixen sense alè i no puc evitar sentir que...</p> <p>Podríem haver-ho tingut tot (ara desitjaràs no haver-me conegut mai) Estimant-nos profundament (les llàgrimes cauran, rodant a la profunditat) Vas tenir el cor a les teves mans i el vas trencar</p>

Throw your soul through every open door
Count your blessings to find what you look
for
Turn my sorrow into treasured gold
You pay me back in kind and reap just what
you sow

We could have had it all
We could have had it all
It all, it all, it all

We could have had it all
(Now You're gonna wish you
never had met me)
Rolling in the deep
(Tears are gonna fall,
Rolling in the deep
You had my heart inside of your hand
But you played top the beat.

We could have had it all
(Now You're gonna wish you
never had met me)
Rolling in the deep
(Tears are gonna fall,
Rolling in the deep
You had my heart inside of your hand
And you played and you played, and you
played, and you played it to the beat.

Llança la teva ànima mitjançant cada porta
oberta
Dóna gràcies pel que una vegada vas tenir
I trobaràs el que busques.
Converteix el meu dolor en or preciós.
Pagaràs pel que has fet i recolliràs només el que
has sembrat.

Podríem haver-ho tingut tot
Podríem haver-ho tingut tot
Tot, tot, tot.

Podríem haver-ho tingut tot
(ara desitjaràs no haver-me conegut mai)
Estimant-nos profundament
(les llàgrimes cauran, rodant a la profunditat)
Vas tenir el cor a les teves mans
I vas fer amb ell el que vas voler

Podríem haver-ho tingut tot
(ara desitjaràs no haver-me conegut mai)
Estimant-nos profundament
(les llàgrimes cauran,
rodant a les profunditats)
Vas tenir el cor a les teves mans
i el vas trencar
